Dear Parents/Guardians of Secondary 4 and 5 students

We trust that you and your child/ward had a refreshing September break and are ready to embark on the final school term.

As your child/ward prepares for the national examinations, we encourage you to prioritise their well-being. Open and consistent communication with your child/ward is vital, as it allows you to gain insights into their concerns and provides the emotional support and guidance they may need. Your involvement and understanding will help them face any challenges that come their way with confidence and resilience.

### 1. N-Level Examinations for Sec 4NA and 4NT

Due to Polling Day, the Teachers' Day holiday has been shifted to 11 September and hence the first part of the N-Level examinations has been re-scheduled to take place from **12 September to 20 September for 4NA** students and **12 September to 21 September for 4NT** students. Following this, the second part of the examinations will be conducted from **2 October to 10 October**.

Please note that after the completion of the first part of the N-Level Examinations, Secondary 4NA and 4NT students **will resume lessons in school, following their regular timetables**. Teachers will continue providing support and guidance to our students as they prepare for the second part of the N-Level Examinations.

Stream	Dates to Attend School
4NA	Thu, 21 Sep – Fri, 29 Sep
4NT	Fri, 22 Sep – Fri, 29 Sep

## **2. Study Break for Secondary 4 Express and 5 N(A) students**

The Secondary 4 Express and 5 N(A) students will report to school as usual from 13 September onwards, following their preliminary examination. Their study break will be held from 2 October to 19 October. During the study break, we encourage students to stay at home to consolidate their learning and dedicate themselves to revision and practice. To support their preparations, our dedicated teachers will be available for consultation sessions.

Please note that only selected students who require additional support will be asked to come to school for the Additional Academic Support sessions and small group consultation sessions with their teachers. This is to ensure that those who need extra assistance receive personalised attention. However, students who feel they require further assistance can contact their teachers to make appointments if they wish.

## **3. Attire and Personal Grooming for National Examinations**

As we approach the N- and O-Level Examinations, we would like to remind you of the importance of adhering to certain guidelines related to attire and personal grooming. These examinations are significant milestones in your child/ward's academic journey and maintaining a respectful and responsible appearance during these times is essential. We kindly request your assistance in ensuring that your child/ward observes the following rules:

- **Full School Uniform or Half Uniform**

Candidates are required to wear either their full school uniform or half uniform during the examinations.

- **School Badge and Name Tag**

It is crucial that candidates always wear their school badges and name tags as part of their attire.

- **Foot Injuries**

In cases where a candidate has a foot injury, they may wear sandals with back-straps for comfort and support. Slippers are not allowed.

These guidelines are in place to uphold the seriousness and decorum of the examination proceedings. Your cooperation in enforcing these rules with your child/ward is greatly appreciated. Together, we can ensure a smooth and respectful examination environment.
